

**RELEASE OF LIABILITY, WAIVER OF CLAIMS
ASSUMPTION OF RISKS AND INDEMNITY AGREEMENT.**

You are agreeing to give up certain potential legal rights as a condition of participating in an outdoor adventure activity, which involves significant risk. If you are signing as a guardian of a person who may not be capable of giving an effective waiver, you are undertaking a potential legal obligation on behalf of that other person. Read the waiver carefully. If you have any questions or concerns, ask the trip leader or instructor before signing.

Paddle In means Marty Tannahill, Jerry Best and Leslie Stunden, the company and any other persons participating as instructors, trip leaders, drivers or helpers assisting in the program or trip.

I am aware that paddling, canoe tripping and specifically moving water paddling involves risks including personal injury, death and property damage. The nature of the sport involves many hazards; for example potentially striking rocks and capsizing, which would not be acceptable in other types of boating. Unlike those activities, I am aware that I will be a participant, not a passenger.

I agree to waive all claims that I may have in future against **Paddle In**.

I agree to release **Paddle In** from any and all liability from any cause whatsoever including negligence, breach of contract or statutory duty of care.

In the event that I am signing as a guardian of a person who many not be capable of giving an effective waiver, I agree also to hold harmless and indemnify **Paddle In** from any such claim brought against **Paddle In** by the person on whose behalf I am signing, or by any persons claiming under or through him or her.

I understand that the Law of Ontario applies to any dispute or claim involving **Paddle In**.

In the event I suspect I may have sustained any injury arising out of my participation, I will report this to the trip leader or instructor before departing at the conclusion of the trip or program and agree to provide a brief report in writing if requested to do so.
